College Access Program*

American Indian Scholarship and Education Program

Walking Shield, Inc. is hosting its 9th Annual Charity Golf Tournament to help American Indian college students. The proceeds will assist students with the rising cost of college tuition and college related expenses. These funds make it possible for them to achieve their dream of a college degree.

Several students will graduate this June and we are very proud of them!

I would like to thank Walking Shield for being a resource for Native students in California. With all the support I have received, I was able to graduate with my Bachelors of Science in Business Administration with an emphasis in Management and Human Resources. Walking Shield has helped me tremendously with books, parking permits, and scholarship funds. I appreciate everything Walking Shield has done to help me with my education.
